Although this is the January 2017 edition, it will reach you before Christmas, so just a reminder of some dates and activities over the Christmas period.

This Saturday will be the last film show this year presented by the Kingston Community Cinema with "Love and Friendship" starring Kate Beckinsale and Chloe Sevigny. The doors open at 6.30pm to give time for you to get into the Festive Spirit with mince pies, mulled wine, mulled cider and apple juice on offer.

The annual Carol Service will be in Church on 18th December commencing at 6.00 pm and to which all are welcome.

There will also be "Carols round the Village" early evening on the 23rd December. Anyone is welcome to join in, and the rest of you should listen out for when the choristers reach your part of the village

As you can see inside this issue Father Christmas made a flying visit to the Christmas Bazaar which raised £610 for Church funds.

There will also be the usual Christmas services in church times of which are provided in "Dates for your diaries"

It only remains for me to wish you all a very Happy and above all Healthy

2017

David

Happy New Year

KINGSTON COMMUNITY CINEMA PRESENTS:

SATURDAY 17th December. Doors open 6.30pm. Film starts 7.30pm

Love and Friendship, Cert U, 92 mins

Starring Kate Beckinsale, Chloe Sevigny

*** Note earlier than usual date***

Based on Jane Austen's novella 'Lady Susan' and set in the 1790s. Love and Friendship centres on beautiful widow Lady Susan Vernon, who has come to the estate of her in-laws to wait out colourful rumours about her dalliances circulating through polite society.

Mince pies and mulled wine/cider/apple juice

SATURDAY 28th January. Doors open 7pm. Film starts 7.30pm

The Magnificent Seven, Cert 12A, 133 mins

Starring Denzel Washington, Chris Pratt

Director Antoine Fuqua brings his modern vision to a classic story in The Magnificent Seven. With the town of Rose Creek under the deadly control of an evil industrialist, the desperate townspeople employ protection from seven outlaws, bounty hunters, gamblers and hired guns. As they prepare the town for the violent showdown that they know is coming, these seven mercenaries find themselves fighting for more than money.

KINGSTON LOCAL HISTORY SOCIETY NEWS FOR JANUARY 2017

In November we had a very successful visit to Lady Astor's House, 3 Elliot Terrace in Plymouth. We were treated to a very detailed and informative tour by Steve, the Mace Bearer for The Lord Mayor. Steve entertained us with stories of Nancy Astor's early life in England as a bride of Waldorf Astor and he related how she became the first female Member of Parliament to take up her seat when her husband accepted a peerage and entered the House of Lords; in 1919 Nancy won the Plymouth seat for the Conservative and Unionist Parties. She had a tendency to be saucy in conversation, yet religiously devout in behavior which confused many English people but won the hearts of others. In our tour of many interesting rooms there were a number of outstanding paintings of famous people including one of Nancy Astor with Lloyd George and Arthur Balfour in the House of Commons. There was also a letter from the late King George V1 and Queen Elizabeth, who visited Plymouth during the Second World War, giving their support to the devastated city. Finally, Steve organised refreshments for us upstairs in the drawing room, a room which looked out across the Hoe towards Plymouth Sound and Drake's Island; this concluded our visit on a lovely sunny Winter's day. Our next event will be "Christmas at The Dolphin" at 7pm on Tuesday, December 13th. Following that on Thursday, January 26th at 8pm in the Reading Room Roger Barrett returns to give a lecture & show a film about the Salcombe Lifeboat Disaster. We are still appealing for help on the Committee so please contact Jennie Stanley(01548 810819) if you are willing to help. There is a list of our events programme and publications on our website kingstonlocalhistory.co.uk Alternatively contact Viv Freeman(810255) for publications.

GOODBYE

As some of you will be aware, I have recently moved to pastures new. I'm sorry that I did not manage to catch up with everyone to say goodbye. I thoroughly enjoyed my time in Kingston, and appreciated the warm welcome I received from the moment I arrived - with special thanks to 'Mr Kingston' himself, Viv. I may see you early birds at the beach occasionally... But to all, many thanks and warm wishes for the coming festive season,

Rachael

A Neighbourhood Development Plan for Kingston

Kingston must maintain its character as a living village in an area of outstanding natural beauty.

That's **your** vision for Kingston, taken from the huge number of written comments presented at our Drop-In day on Saturday 26th November.

Over 90 people attended the Drop-In, or sent in written responses to the questions we asked about living in Kingston, the pressures on the village and what changes there might need to be in the future. There were literally hundreds of post-it responses and a lot of these referred to more than one issue. It was quite a job sorting them all out, but a number of themes are emerging, for example:

Housing: very considerable concerns about the impact of a large development on the village, the lack of affordable housing for young people especially young families, numbers of second homes/holiday lets, will new build just provide more of these?

Transport and movement: increasing problems over parking, concerns about speeding and large vehicles travelling through the village. Also poor public transport.

Environment: a big response about the beauty of the countryside we live in. Sewage and drainage issues and of course dog poo! Cats had a very brief mention.

Enterprise/employment: lack of local job opportunities.

Heritage: our two Conservation areas, many listed buildings etc

Community well being: people value our caring and close friendly community. The amenities we enjoy such as the Recreation Ground, the range of activities / clubs etc many based on the Reading Room, a beautiful Church, the pub! Just 'the pub' mentioned several times with a cry of woe that it was shut that weekend.

Sadly those who took part in the Drop-In were mainly in the older age groups. We appreciate the pressures of work and children on young families, but this is your village too, please take the opportunity to give your views on its future.

There will be a fuller report available shortly and you will be able to comment via the website, see below.

The Housing Needs analysis was not complete before the early deadline for this Newsletter. Currently the Group is also investigating the relevance of a Village Housing Initiative, which would enable a small development of social housing and 'help to buy', (part mortgage, part rental) housing with a couple of open market homes to support costs. This might be appropriate for Kingston, but there is a great deal of work to be done yet.

Very many thanks to Alan Coleman Smith, who is setting up our new website. This will be launched in the New Year and all our activities, reports on progress and the evidence we are starting to collect will all be available through the site.

We need more support like this please. Can you help? Perhaps you have a particular interest in one of the emerging themes above, or just feel you could contribute to the work?

Please contact Judy Alloway, allowayjudy1@gmail.com 810692, or Flo Watts, flowatts@btinternet.com 810019, if you have any queries/comments about the Plan and/or can to help.

Firstly we would like to wish you all a Happy New Year for 2017. At this time of year scrub clearance is

a major part of our winter work and is likely to be taking place somewhere on our land at some time in the next few months. It can look dramatic, but is vital for the restoration of the protected coastal grasslands. The aim is to keep a mosaic of scrub patches for shelter and use by breeding birds and to increase the diversity of both the flora and fauna on the site. We then bring grazing animals to these areas to help manage the gorse re-growth.

Winter is also the time when storms become more frequent and so thank you to all the people who help keep Ayrmer Cove beach litter free, doing a bit of litter picking every time you walk the area really helps and is very much appreciated. The first of our 2017 events will be the annual beach clean at Ayrmer Cove, the date for your diary is 25 March 2017 and the more people we can get to attend the better.

2016 was also a fantastic year for the orchard in Ringmore woods and thank you to the volunteers who have helped throughout the year. The orchard weekend was a great success and will hopefully become an annual event for harvesting and pressing the apples from the orchard. The orchard needs maintaining throughout the year and our thanks go to John Reynolds the volunteer orchard co-ordinator for all his hard work to keep this challenging work under control. If you are interested in getting involved then please contact John directly, practical help in the orchard is always welcome.

Please stop and have a chat to the team if you see us out working or if you have any comments about the work of the National Trust. For further information please call Lorna Sherriff on 01548 562344 or email

Church News

Kingston Calendar 2017. Buy your copy in December from the Tuesday Morning Market, in the Church or from Judy Alloway on 810692 or Jackie and Alan Coleman Smith on 811277; still £5.00 a copy, including an envelope for sending copies as presents to friends. Don't delay as they are going fast!

As this newsletter reaches you, preparations for celebrating Christmas in our village church will be nearly complete. The flower ladies will have been really busy, the church newly cleaned and decorated, the crib in place and we hope people will call in to enjoy a few moments of tranquillity at this wonderful time of year. The first celebration will have taken place – the Christingle Service – and we hope that families will have enjoyed this special service.

Sunday December 18th at 6pm. is the date for the village **Carol Service** with the church specially lit and lots of carols to sing and a very enthusiastic choir to lead us. There will be mulled wine and soft drinks, mince pies and sausage rolls to enjoy. The collection will be in aid of The Save the Children Syria Appeal.

At Christmastime itself, we have two services in the church. On **Christmas Eve** there will be a Communion Service starting at **11pm**. And on **Christmas Morning**, the service will start at 10 am. – this is a family service and all are welcome – more carols(!) and we would love to fill the church.

January will be quieter and our Sunday services return to the normal time of **9.30 am**. **New Year's Day** is on a Sunday, giving us another chance to celebrate with our Rector Neil Barker taking the service. As the old year ends, we would like to thank everyone who has helped to keep the church open and welcoming each day during the last year and say a big thank you to the flower ladies, the bell ringers and those who clean and care for the church. We do receive some very appreciative messages in our visitors' book.

A Happy New Year Kingston!

FLICKS IN THE STICKS

We hope you will be able to join us on Sat 17th Dec for our showing of the wonderful period piece based on a Jane Austen novella, 'LOVE AND FRIENDSHIP'. Doors will open slightly earlier at 6.30 pm and we'll be serving mince pies, mulled wine, mulled cider and apple juice. Do come along and get Christmas started!

Next season's selections have been chosen and we think we've got some great films for you. As always, they're subject to change by Moviola so do keep an eye out on the newsletter ads. Here at 'Flicks' we're always trying to find new ways of keeping you coming to the shows and putting on something a bit different. So, next season kicks off with two very different films. January will see a 'Man Movie' which will be followed in February by a classic 'Chick Flick'. Sit back, strap yourself in and get ready for.....

Saturday 28th January 'THE MAGNIFICENT SEVEN' CERT 12A. The 2016 re-make of the ultimate Western with Denzel Washington in the iconic lead role. You don't need to know the plot. You don't need to know what the film is trying to say. All you need to know is that this a rip-roaring Western in the finest Hollywood traditions which thunders along at the speed of a Pony Express rider! Come on girls, you know you want to.....

Saturday 25th February 'BRIDGET JONES' BABY' CERT 15. Yes, we know a lot of you have already seen it, but we've had a lot of requests from people who would love to see it again. So, open up the Chardonnay and enjoy the third instalment in the life of Bridget Jones. Bridget's focus on single life and her career is interrupted when she finds herself pregnant, but with one hitch ... she can only be fifty percent sure of the identity of her baby's father. Come on guys, you know you want to.....

Saturday 25th March 'SULLY' CERT 12A. Back to normal with Tom Hanks taking the lead role in this critically-acclaimed film. On Thursday, January 15th, 2009, the world witnessed the "Miracle on the Hudson" when Captain Chesley Sullenburger, nicknamed 'Sully' landed his disabled plane onto the frigid waters of the Hudson River, saving the lives of all 155 aboard. However, even as Sully was being heralded by the public and the media for his unprecedented feat of aviation skill, an investigation was unfolding that threatened to destroy his reputation and his career.

Saturday 29th April 'SNOWDEN' CERT 15. Written and directed by Oliver Stone. Disillusioned with the intelligence community, top contractor Edward Snowden leaves his job at the National Security Agency. He now knows that a virtual mountain of data is being assembled to track all forms of digital communication -- not just from foreign governments and terrorist groups, but from ordinary Americans. When Snowden decides to leak this classified information, he becomes a traitor to some, a hero to others and a fugitive from the law.

See you at the Movies!

New Year Thanks from KPC

KPC would like to pass on thanks and appreciation to all parishioners, supportive holiday home owners and visitors who have helped over the last 12 months towards making Kingston such a valuable, caring and entertaining community. Thanks to the Reading Room Committee, & all who run clubs/societies/events there, the Tuesday Morning Market team, KEG for, amongst other social events, organising the August Summer Fun Day, the Flicks in the Sticks team, the Recreation Ground Committee and their Monitoring Team for keeping a watchful eye on the recreation ground. Not forgetting the Tree Wardens, the Foot Path Warden and all the Drain Watchers. Reports and messages are passed to KPC throughout the year to raise awareness of any pending problems that need your Councillors' attention.

Special thanks go to the Editor of this Newsletter! Kingston Parish Newsletter - delivered free, every month without fail, to all residents and emailed to many past residents and friends of Kingston, is known as one of, or even the best, in the area! Thank you David!

And finally, a HUGE thank you to Craig, Leah & team for the fantastic job you are doing with The Dolphin – a true community asset – we've missed it, & are glad to see it re-opening and refurbished, as the festive season approaches!

Autumn Leaves – Adopt a Drain!

Autumn has not quite left us with such mild weather. If heavy rain should come along the leaves will certainly block the drains. We can do a lot ourselves, as we did in the winter of 2014/15. Please check the nearest drain to you and help to keep it clear. If you have elderly or infirm neighbours please check their drains too. We know many of you are already doing this and many thanks to those who are regularly clearing the main village street. Please let the Clerk know of any problems or use the website www.fixmystreet.com. This can be in strict confidence and is easy to use.

Winter Planning

No snow as yet and frosts have been light with a little ice on the roads so perhaps it is a good time to remind everyone that there are grit supplies in bins at certain strategic points in the village. Do please remember though that the grit is supplied for the use on the village highways only. If it gets colder, Cllr. Freeman will bring out the parish supplies of salt. If you should need to use this salt the ratio is 1 tablespoon per square metre ONLY. Devon County Council has provided

Winter Emergency Management information.

This information covers various winter situations with vital telephone numbers. Please see the Devon County Council web site.

Recreation Ground Monitoring Dates

Thanks to everyone on the monitoring group for keeping a very keen eye on the tidiness of the grounds, which are being so well used when the weather is dry! Here is the rota for the next few weeks:

AD 2017

As we get older, so the years seem shorter. Yet as we look forward into the New Year, the next 365 days seem a long time.

The World seems to change so radically in a short space of time and we feel a bit lost. Leaders change, governments fall, markets fluctuate and wars too easily arise. The weather pattern seems to get more extreme and the solid nature of our planet seems to be more subject to violent earthquakes and tsunamis. On the human scale, greater numbers of people crowd our planet, the landscape becomes more urbanised and technology changes the way we think and communicate.

One of our hymns says 'change and decay in all around I see,' yet there is still revealed to us all, that behind the future there is a constant factor or covenant of love and joy, truth and justice, which can be found in the nature of the world. We are living in and exploring its wonder and the spiritual quality of our surroundings and environment, which encourage a view of divinity, in the purpose of life.

The New Year brings an opportunity to start again in our lives, to resolve to give more time and thought to the God in Creation, the God in other people, partners and children, and for time given up by others in friendship and caring.

The world of nature helps us to see the same divinity in the physical world. The lesson is Our God is like a loving Father/Mother; in Jesus we see God as a human being, and in the Holy Spirit we find the guiding light which calls us to take up the challenge of the future. If we listen to what is being communicated, we learn the pattern of the new kingdom, which is open to all mankind.

May I wish you a Happy and Peaceful New Year,

Michael Wilkinson

JEAN MOORE BTAA, CTha

**Master Bowen Therapist,
Reflexologist, Aromatherapist**

For 18 years I have practised as a Complementary Therapist, utilising my experience, the Bowen Technique, Reflexology, Aromatherapy and Massage. I have helped 1,000's of people with all types of problems, whether they need help to recover from many conditions including traumatic injury or simply to relax.

Bowen Technique – Can help virtually everybody whether new-born, elderly or frail whatever their problem – non-intrusive and gentle.

Reflexology – Is suitable for all ages and uses our own healing ability to heal ourselves.

Aromatherapy – I create a unique blend of essential oils to treat your particular problem.

Massage – After assessing your needs I create and perform a unique treatment.
