LIVING CHURCHYARD PROJECT

As most of you are aware, we are trying to give nature a "helping hand" in our churchyard and encourage more flowers, insects, birds and small mammals. To this end, we have decided to let two areas of the churchyard grow wild, with minimum interference for the year to come, to see what plants appear and to attract the local wildlife.

To ensure this is done in an appropriate manner, giving careful consideration to families tending graves, we have worked with Darren to come up with a plan.

However, this project which we hope will run for a good few years to come is in its infancy and may have teething problems. This is where we need your help. Please let us know good-bad-ugly what you think as the months pass and the seasons change.

A Living Churchyard Comments Book will be available on the table in church for you to communicate your thoughts, ideas and issues. Please also add your name and contact number so that we can discuss any comments with you in person. In this way, we can work together as a whole community to bring life and nature back to the churchyard.

Many thanks Lorraine & Richard Gulliford, Judy Alloway and Robert Beard

IMPORTANT NOTICE

Change of Date KPC April's Meeting Kingston Parish Council & Annual Parish Assembly

Owing to the Easter Break - Please Note - the April 2019 APA (Annual Parish Assembly) **AND** the KPC (Kingston Parish Council Meeting) will now be held on Wednesday 24th April 2019.

The APA will start at 7pm - the KPC Meeting will start at 8pm.

What is the APA – this is the annual opportunity for Councillors to let Parishioners know of the activities, actions and hard work they have achieved over the last 12 months through 2018/19

Parish Council Elections – May 2nd 2019 Would you consider standing for Kingston Parish Council?

Yes..... this year, in May it will be four years since the last local Parish Council Elections. The time is now approaching when all current Parish Councillors will be standing down to seek re-election, that is assuming they wish to be considered again. The question is - would you consider becoming a Parish Councillor? Kingston needs parishioners to come forward. No experience is necessary, a keen interest, caring and enthusiastic support towards the Parish of Kingston is all that is needed. Training is available and councillor experience is always good for CV's! If you are interested, would like more information, or simply just to have an informal chat, then please contact the Parish Clerk, Sue Green on 01548 810270,

kingstonclerk@googlemail.co or at Old Stack, 1 Chapel Row, Kingston, TQ7 4PJ or contact one of the current Councillors any of whom would be only too happy to help.

Kingston Parish Council is responsible for many things in the community, such as the Recreation Ground, Reading Room, Neighbourhood Plan, Allotments, etc. The Council is also consulted on planning applications, highway improvements, footpaths, street signs, grant funding and projects that affect the area where you live and what facilities your community has or receives. Local councils are delivering more services for residents than ever before and Parish Councils are having an even greater say in the day to day running of their community. Kingston Parish Council has a compliment of seven members with a requirement that you must live either within the Parish or a three mile radius. You must be over 18 years of age and be on the Electoral Roll of the Parish. Some important dates:
- The Notice of Election will be displayed. SHDC have advised the commencement date is 21st March 2019. The close of nominations will be by 4pm (1600hrs) on 3rd April 2019. Nomination packs will be available from South Hams District Council at Follaton House or ask the Clerk.

Remember, the Parish Council is the collective voice of the community.

There are now 5 on the team for looking after the Telephone Box with an experienced leader; just 2 more to the Team would be great. Many hands make light work and the more ideas the better. Please if you would join us let Sue Green the Clerk on 01548 810 270 or kingstonclerk@gmail.com

Rubbish Collection and Recycling is Changing

From April, we are told by DCC Rufus Gilbert, all rubbish and recycling collection will be streamlined across Devon. Everything will be collected from the doorstep, with plans for weekly collections of food waste, and all households receiving new food waste receptacles etc – more information to follow – watch this space!

Dogs Public Protection Order

You may have noticed the new signs around the village about keeping your dog on a lead until you leave the village area. Please note that these signs have been posted by South Hams District Council, to inform us of this new Public Protection Order. The penalty for non-compliance is £100 – you have been warned!

Kingston Fire Station

We had an update from our local Fire Station team at the KPC Meeting in March. The Fire Station Manager for West Devon support group is currently Matt Redford. He explained that the team were called to 22 “Shouts” last year, and 4 so far this year. With new appliances and equipment, crews are able to attend incidents with fewer members. The Fire Service is looking to recruit more Volunteer Officers for Kingston – have you got what it takes? Anyone interested, please contact Sue Green, Parish Clerk (details below), and she will be able to tell you who you'd need to contact.

Jess Tatton-Brown, Area Ranger, National Trust South Devon, came to our KPC Meeting in March to introduce herself. The Vicar's letter

A few years ago I was called up for jury service. When the judge made his closing remarks he said that we could only find the person guilty if the evidence that had been presented convinced us beyond reasonable doubt

Many Christians down the ages and across the globe have believed in the actual and physical resurrection of Jesus from the dead because the evidence has convinced them beyond reasonable doubt. For example, the former Chief Justice of England, Lord Darling, said, 'In its favour as living truth there exists such overwhelming evidence, positive and negative, factual and circumstantial, that no intelligent jury in the world could fail to bring in a verdict that the resurrection story is true.'

Richard Swinburn, Emeritus Professor of Philosophy at the University of Oxford, in 2003 wrote a book called the 'Resurrection of God Incarnate.' This book was printed by Oxford University Press and was peer reviewed by his professional colleagues. Swinburn was not afraid to conclude that it is highly probable that Jesus rose from dead. The resurrection of Jesus stands up to rational scrutiny. Yet more importantly it speaks to our deepest longings. An old vicar I knew always used to say at funerals: 'Now, because of the resurrection death is merely a gardener. You don't bury a Christian, only plant them.'

On behalf of all the churches of the Modbury Mission Community I wish you a Happy Easter. Come and join us over the Easter season to find out how the events of Easter turn the grave from a wall into a door.
