Another month has rolled by and we are now well and truly in the season for all our summer events.

The weekend sees the St James the Less Church May Fair on Saturday with plenty for all to enjoy, so come along and have a good time.

Also this Bank Holiday weekend the Friends of St James the Less are holding a Fun Day with many events planned, this is to be held on Monday 27th May.

We then come into June with Lance's Beetle Drive to raise funds for our new "Information Centre" in the old telephone box which you can see has already been given a fresh coat of paint.

On June 9th the Walters Family are opening up their farm once more on "Open Farm Sunday" you can see all the animals and have a picnic and enjoy a farm walk.

On June 22nd a Cream Tea fundraiser is being hosted at Walkspool with proceeds in aid of the Alzheimer's Society.

With all these events taking place it cannot be said that "nothing happens in Kingston" and our thanks go to all those who organise these events.

CREAM TEA

Sunday 23rd June 2-4pm

Join us for a delicious homemade cream tea on
Sunday 23rd June between 2pm – 4pm.

Tables will be set up down by the ponds in Walkspool's garden – so why not combine it with a walk down to explore Westcombe Beach? Dogs on short leads welcome.

Enjoy home made scones served with homemade jam (kindly donated by CLARE'S PRESERVES in Bovey Tracey) and local clotted cream. With as much tea as you can drink!

THANK YOU

A massive thank you to all the good folk of Kingston who came to the Reading Room on May 11 to support the Mrs Ackroyd concert. Thanks to your generous support we can continue to try to attract high quality acts from the folk and contemporary acoustic scene out here to our little corner of paradise. Artists always comment on two things - how good the audience is and how fortunate we are to live where we do. And Emily is still buzzing...!

FRIENDS OF ST. JAMES THE LESS

- now has a membership of 62, the latest recruitment drive, helped by this newsletter, was a great success and increased our number by 26. The Friends Steering Group, led by Don Kelly, would like to welcome all the new members and thank you all for your support. The members of the Friends will be invited to a social on 4th September, this a thank you from St. James the Less and should be an enjoyable meal in great company.

We hope everyone in the village will join us on **Monday 27th May at our Community Activities Afternoon** from **2-4pm**. There will be 5 fun games to play on the playing field at the recreation ground and walks (or runs if you wish) of varying lengths round the village as well as an orienteering map to find marked posts, loads of fun for all ages. If you haven't already registered you can still register for walks and orienteering in the Reading Room on the day and collect a map.

Anyone interested in joining the Friends please contact Judy Wurr at Oakdale or tel. 810065

Exciting Election News!

No really folks, no groaning, we do have good election news for you. We did not need to hold a vote in the local elections on 2nd May, as we had a suitable number of candidates willing to remain on or to join Kingston Parish Council. The full list of councillors appears as ever at the end of this KPC news section. We are happy to report that Eve White agreed to continue as Chairperson, and that Merv Freeman agreed to continue as Vice Chair. A warm welcome also and grateful thanks to Phil Anderson and Don Kelly, who have now joined KPC – we look forward to working with you in serving the Kingston Community.

Telephone Box

Many thanks to our fabulous volunteer team who have now started work on the refurbishment of the village Telephone Box adopted from BT. It is already showing great improvements, with more to come, as we are in the process of setting it up as an additional Kingston Information Point. We hope Lance's Beetle Drive in the Reading Room on June 1st will raise more funds to finance this project, so come along and offer your support while enjoying an evening of good old fashioned fun!

Diary Date

Don't forget Kingston Fun Day this year is due to take place on August 3rd with the theme "Time". Thanks go to Kingston Entertainment Group for running this annual event on behalf of KPC, and for making such a success of it – let's hope we get a lovely sunny day again to add to the enjoyment.

Community Policing

PC Ryan Hayhurst from our Kingsbridge and Salcombe Community Policing Team came along to the Annual Parish Assembly on 24th April to give us an update on the past year. 9 crimes were reported in Kingston, up from 4 the previous year. This included thefts of a wheelbarrow, and a set of ladders, so it seems a good idea to look at your garden, allotment, and shed security. Ryan explained that the easiest way to get in touch if not reporting a 999 emergency, is to either dial 101, or preferably email 101@dc.police.uk

Notice of Road Closures

We are advised by Devon County Council Highways that there will be a temporary road closure from Yellands Park to Kingston Plain from Monday 22nd July for a maximum of 5 days, until Friday 26th July. This is to provide a new water service. For additional information, contact Kier MG LTD on 01726 224400

Rubbish Collection Reminder

As Monday 27th May is a Bank Holiday, the rubbish (Black Bin) collection will as usual be a day later that week. Please also see below, some communication we have received from SHDC regarding how to sort your rubbish to enable the maximum amount of recycling to take place.

Our Household Recyclable Rubbish – the following is as quoted from South Hams District Council

"Did you know that putting the wrong items into your clear and blue sacks is costing a fortune as the offending items have to be removed before recycling can take place? The problem is costing South Hams District Council around £10,000 every month, effectively throwing away money.

This is a direct plea by South Hams District Council to all residents. They are asking residents to take a closer look at the list of items that can and cannot be recycled.

The top offenders include pizza boxes, crisp packets, black plastic trays, food and unwashed tins and bottles.

Helen Dobby, Group Manager for Commercial Services, said: *"I am sure that many residents are just unaware of the impact that this has on recycling. Items such as greasy pizza boxes, and dirty milk bottles, cannot be recycled.*

Like many of our residents, we want to recycle as much as possible. However not only can these items not be recycled but they can contaminate the rest of the recycling too. It's such a waste to collect and transport the recycling to the reprocessor, only to have some of it rejected.

"While the cost of dealing with this is alarming, we can really make a big difference and recycle more just by being a little more careful about what we put into the sacks.

Please, can everyone help us to recycle more by checking the service guides or visiting our website at www.southhams.gov.uk to see what can and can't go into the blue and clear sacks?

"We recognise that our residents are keen recyclers and may be frustrated with the current service. We are therefore currently planning improvements which will include collecting more recyclables from households. These changes are due to happen next year when the recycling vehicles are replaced.

In the meantime, we need to recycle at much as we can with the existing system and this means putting the correct items into sacks."

Details on what you can and can't recycle can be found: <https://www.southhams.gov.uk/article/3383/Blue-and-Clear-Recycling-Sack-Collections>

READING ROOM REVIVAL

Further progress was made this month with the successful installation of the Church end performance stage lighting. We now have not only the lights but also a controller that enables the programming of lighting scenes with many features including colour, flashing, fading and sequencing changes. The facility will also be able to be relocated at the stage end for full stage events like the pantomime.

The Church end stage curtain, which it was hoped would have been in place for the recent (and very enjoyable, entertaining - more please!) concert, will be in place for the next Flicks and hopefully also the final blind on the entrance door.

During the summer the final major part of the Revival project - the new stage lighting rig will be installed for the next pantomime. We're getting there!

The Vicar writes

There is a photograph from the White House taken during John F Kennedy's time as the President of the United States of America. The photograph shows JFK working at his desk in the Oval office at the centre of the White House. The office and the desk he is working at are symbols of all the power and authority of the most powerful position in the world. In this photograph one of Kennedy's small children is in his dressing gown playing under his father's desk before his bedtime.

Imagine having that access to the President of the United States. Imagine being able to pop in whenever it suited you to see the most powerful person in the world - to chat with him as a child to a father and to know that he will not just be available to see you, but be happy to listen you anything you say and willing to help you out in any way he can.

In the Lord's Prayer Jesus teaches his disciples to approach God, the King of kings and President of presidents, as Father. Jesus taught his disciples that they can approach the Supreme creator and ruler of the world not in trepidation but as Father because he has reached out in love and offers to wipe away our sins and adopt us as his own children.

Over May and June the churches of the Modbury Mission community are going to be thinking about the Lord's Prayer in our Sunday services. Why not come along to hear how you can get started in prayer or revitalise a wilting prayer life.

 Readers: *Joyce Howitt (01364 73093), Michael Tagent (810520)*
