I understand that the pantomime, "The Wizard of Bos" was a huge success, regrettably I was unable to attend this year. My thanks to Hayley for providing the photos which feature inside this edition and a huge thanks from us all to Andy & Heather who wrote and produced this year's show. We will all wait eagerly for the next show in 2 years time.

In March there will be a Barn Dance held in the Reading Room in aid of the Friends of St James the Less: this will be your chance to have some fun and help to raise funds for our church at the same time.

On the 26<sup>th</sup> March the History Society have a presentation by Bernard Miles who is a Devon Railway Historian. This will be in the Reading Room and all are welcome; free to members non members £5.00

Flicks in the Sticks continues its monthly screenings with "Official Secrets" showing on the 28<sup>th</sup> March starring Keira Knightley, Ralph Fiennes and Matt Smith.

## THE WIZARD OF BOS

It was our huge pleasure to write and present this year's Panto production to our amazing village.

The cast and crew deserve every ounce of praise given to them, as they gave their all in the name of entertainment. We can't begin to put into words just how proud, and quite frankly emotional, we were in seeing it all come together. We wish to express our appreciation and admiration to Claire Jones (scenery), Jean Moore (make up), Karen Freeman and Jan (costumes)

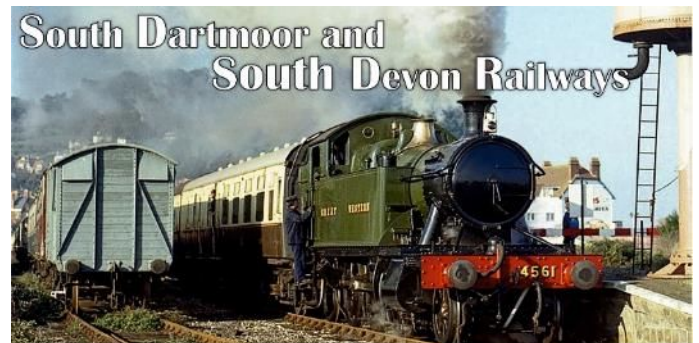

Luke Adams (lighting), John Connor (music and songs) and Phil and Joan Anderson (props and stage management). and to every member of our wonderful cast. A special note of thanks to every single person that came out to see us and cheer us all on, your support and interaction was tremendous. See you all in 2 years time when we do it all again.

Finally, a huge thanks for the surprise from the cast for presenting us with our esteemed KAFTA award, very much loved and has pride of place in our living room.

forever grateful

Andy and Heather Summer Nutting

And, of course a huge thankyou to Andy & Heather. - Editor

# BE A GOVERNOR

LEAD. DEVELOP. SERVE.

Make a difference this year by volunteering as a governor in one of Devon's Church of England Schools.

## GIVE SOMETHING BACK

**Devon schools need you.**

Our school governors come from all walks of life and reflect the diverse communities we serve. You don't need to be a parent. You don't need lots of experience. All we ask is that you value Church of England education and share our passion for making schools the best they can be.

## NEWS FROM

### Hedge Trimming and Drainage

It's that time of year again, when we remind you to get your hedge trimming done before the nesting season starts in earnest, especially where they may need cutting back to keep Highways clear. For anyone interested in detailed information and advice from Devon County Council, please refer to

[www.devon.gov.uk/roadsandtransport/factsheet/roads-and-farmers](http://www.devon.gov.uk/roadsandtransport/factsheet/roads-and-farmers) , and

[www.devon.gov.uk/roadsandtransport/maintaining-roads/trees-and-vegetation/overgrown-vegetation](http://www.devon.gov.uk/roadsandtransport/maintaining-roads/trees-and-vegetation/overgrown-vegetation). Thanks to all those who contribute to keeping Kingston looking at its best!

### Annual Parish Assembly

This will take place on 16<sup>th</sup> April at 7pm before the usual KPC meeting at 7.30. All are welcome to come along to the Reading Room and hear about what your Parish Council has been doing on your behalf over the past year – we look forward to seeing you.

### Hedgehog Adoption Scheme

We have been contacted by a hedgehog conservation scheme, who are looking for suitable sites for the release of last year's hoglets! Anyone interested in providing a home for one of these little fellas? Thanks to Andy and Heather and the pub quiz this month, we have funds available to get you started. The requirements in brief are

1. A small dish of dog or cat food put out at dusk in a covered area
2. An overgrown bit of garden to hide, or to snuffle for insects
3. Drains or holes covered. Any garden pond will need a safe route out provided to prevent exhaustion and drowning.
4. Check under hedges before mowing or strimming, and compost before forking over, to prevent injury.
5. Do not leave any black bin bag out, or black bin rubbish, as this will be harmful to foraging hedgehogs.
6. Hedgehog homes can be purchased online, or an overturned plant pot or container with a "doorway" and weighted down with stones and filled with leaves is also acceptable.
7. If your garden is completely enclosed, provide hedgehog doorways at the bottom of fencing to enable travel across a wide foraging and snuffling area!
8. If you have concerns, or find an injured hedgehog, contact a specialist.

For more details and to start the adoption process, please contact Sue Green, Kingston Clerk (details below).

### Reducing Isolation for the Elderly - a message from the Royal Voluntary Service

The Royal Voluntary Service has asked KPC to pass a message on to the community. The following is as quoted from the RVS - *we are currently developing a volunteer-led initiative across South Hams to help reduce isolation and loneliness within older people.*

*The project - known as Community Companions -has a primary focus to recruit and train small teams of volunteers to provide companion support to the most isolated within*

*their own communities. The more local the focus the better. Royal Voluntary Service provides all the background support, DBS's, safeguarding and training services for the volunteers to facilitate such activity to happen safely. We are currently looking to promote the information on the project throughout South Hams. The aim would be to attract volunteers to join the project and establish a support network that can then reach out to help the most isolated.* KPC ask that if anyone is interested in this information either go on to the Royal Voluntary Services web site [www.Royalvoluntaryservice.org.uk](http://www.Royalvoluntaryservice.org.uk) or contact the Parish Clerk, Sue Green on 01548 810270 or e-mail [kingstonclerk@gmail.com](mailto:kingstonclerk@gmail.com)

### Recreation Ground Monitoring Dates

Here is the rota for the forthcoming couple of months. Even though the weather has been very wet the playgrounds have been used and enjoyed by visitors and local children over the half term. Thank you to the team for keeping your usual keen eye on the grounds – and we are working on ways forward on the Dog Fouling problem! We do appreciate this is not a pleasant scenario, and we're happy to hear any suggestions on tackling it to ensure the Recreation Ground can continue to be enjoyed by everyone.

### Who's in charge?

*The following was found in a World War 2 chapel at an Air Force base in Lincolnshire. It was a message for pilots (and also for us!)*

Good morning.

I am God. Today I will be handling all of your problems. Please remember that I do not need your help.

If the devil happens to deliver a situation to you that you cannot handle, DO NOT attempt to resolve it. Kindly put it in the SFJTD (something for Jesus to do) box. It will be addressed in MY time, not yours.

Once the matter has been placed in the box, do not hold on to it or attempt to remove it. Holding on or removal will delay the resolution of your problem.

If it is a situation that you think you are capable of handling, please consult me in prayer to be sure that it is the proper resolution.

Because I do not sleep, nor do I slumber, there is no need for you to lose any sleep. Rest, my child. If you need to contact me, I am only a prayer away.

Vicar: *The Revd Matt Rowland (830260: every day except (normally) Saturday)*

Readers: *Joyce Howitt (01364 73370), Michael Tagent (810520)*
