In August 2021, as the Taliban were taking over Kabul, the Texan lady who runs the US-registered Kabul Small Animal Rescue (KSAR) made the very brave decision to stay. KSAR do desperately needed work that practically no-one else is now doing, in an exceptionally tough place. This summer they plan to airlift 250-300 dogs and cats to the US for onwards adoption via US rescue organisations. The cost will be considerable, but if every supporter can raise \$200-\$300, they'll be able to do it.

Thank you,

KINGSTON GARDEN CLUB SPRING VISIT

OPEN TO ALL!

With the snowdrops, daffodils and primroses poking their heads up, you are probably turning your heads to thoughts of getting out in the garden, at least when it's not pouring with rain.

So to add a little inspiration we are planning a late spring visit to Burrow Farm Gardens near Axminster on Friday 17th May 2024, meeting there just before 11am. This visit is open to everyone, not just Garden Club members.

In November 2021 Burrow Farm Gardens was named 'The Nations Favourite Public Garden in a competition run by The English Garden and National Garden Scheme'. I have been there a couple of times and it is an absolute delight, situated in a glorious piece of countryside. <https://burrowfarmgardens.co.uk>

The cost of this visit is £10 per head (providing there are at least 10 of us). I have also booked a guided tour which will take about 1 hour and will be taken by Michael who is the grandson of Mary Benger - the owner and creator of the garden. This will cost an additional £25 which we will split between us on the day. This fee will be waived if there are 25 or more of us. There is a pleasant cafe for some lunch and once I have an idea of numbers I will book this.

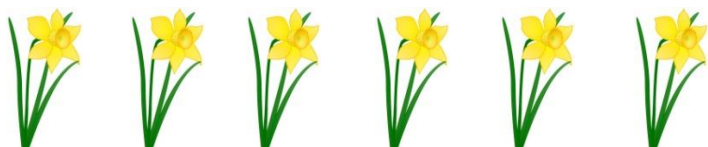

Please could you let me know as soon as possible if you would be interested in joining us on the 17th and also let me know if you might need a lift to get there.

Can anyone who is planning to drive let me know if you might be able to offer lifts. I will then try to make sure everyone is catered for.

Please send your replies directly to me at rbush796@btinternet.com - I will then finalise the booking.

I hope you can make it and hopefully the sun will shine on us.

MARCH 2024 CHURCH NEWS

Our church is open daily for silent prayer, or to visitors who wish to see inside our lovely place of worship. Regular services of Morning Prayer and Hymns are held on most Sundays at 9.30am except the third Sunday of each month when a service of Holy Communion takes place at 11.00am. Occasionally there will be a second Communion service celebrated on any of the other Sundays. See notes each month for details. Where Village Service (or Lay Led Service) is designated in the diary for the month, it will indicate that a member of the congregation will probably be leading a service of prayers and hymns. Very occasionally there may be an extra Holy Communion service inserted instead of Morning Prayer and such a change will be noted in the church calendar at the back of the newsletters.

Please note that our service of Holy Communion on **EASTER DAY, 31st March**, will begin at 9:30 am and not 11:00 am which is the usual time for a service of Holy Communion. Revd. Simon Farmer will lead us in worship. We look forward to seeing you. Easter is a worldwide special festival in the Church and, as usual here in Kingston on every Sunday, everyone is invited to join us in our worship here. Why not join us this Easter? You will be very welcome. Coffee will be served following the service.

The Soup Lunch on 1st March was a great success. Thanks to the Church Events Committee, and especially Vanessa for organising the event. We raised £245.50 for Kingsbridge Food Bank with voluntary monetary donations and provided a table full of items of dry goods which will go a long way to help fill the Bank's shelves in these difficult times. Thank you for your generosity.

The Plant & Produce Sale will be held this year on Saturday, May 25th, 10am to 12pm. We'll be below the church steps (or in the Reading Rooms if raining). Bacon Butties are on the menu again as well as cakes. There is a raffle and, best of all, a chance to fill your gardens with wonderful plants and flowers this upcoming season. If you have an overflow of seedlings etc. please bring your donations on the morning of the sale, or drop them off the day before at Westview. All proceeds from this fun event will go to our church.

Please consider becoming a Friend of our church of St James the Less, Kingston. By becoming a Friend, you can be assured that our church and graveyard will still be here for the generations who follow us. You do not have to be a worshipper in our church in order to become a Friend. We have several exciting events planned for later in the year. Please renew your 2024 dues as soon as possible (see a recent email from membership committee) – or contact Don Kelly who will be delighted to give you further details on how to join the Friends and how your participation will help us all. His email is donaldkelly8@aol.com or phone number 810358.

Our local contacts for St. James the Less, Kingston are our Church Wardens, **Brian Alloway**, 810692, bj6devon@gmail.com and **Robert Beard**, 810500, r.beard@scobbiscombe.co.uk

Brian and Robert will be pleased to help you find the right person to talk to and help with any church-related arrangements. Please note full information is also on the Parish website as well as the Modbury Team website: www.modburyteam.org

THE GREAT READING ROOM REVIVAL NEWS!

Firstly, thanks to those who came along to the volunteers meeting on February 27th (a follow up from the RR Revival questionnaire). There were some great ideas and suggestions which we'll tell you about over the next few months, but at number one on the list was an ecology/environment/natural history society (*not a snappy name - we're working on it!*). An enthusiastic team of eco warriors are meeting this week to make plans and this team is full of ideas - so watch this space and get your wellies out... we'll be in touch very soon.

In the meantime Andy Davies-Coward, ably assisted by Jim Dewar, is working on our new RR website. We want it to be vibrant, lively and full of exciting things that are happening in our wonderful village, something that funders will take one look at and part joyfully with their cash, so we need some great photos please. We know they are out there because we've seen them at the village show so if you have any good pictures of events at the Reading Room or indeed, anywhere round the village, we would love to have them. We would be particularly interested in any older photos of the RR so we can show how it has developed over time.

In due course I believe each society might have their own page on the website (don't panic - not just yet) but the Eco group want to be ahead of the game! So if you have photos from round the village of birds and bird boxes, hedgehogs, wild flowers in the churchyard, wildlife on the Erme, tree planting at the playing field, etc etc (you get the idea) we want them please, starting with any photos of Rachel's great hedgehog signs.

Andy and Jim have cursers poised, so please send photos ASAP to our amazing secretary Juliet at: kingstonrrsecretary@gmail.com

If we get hundreds (here's hoping) we'll find an opportunity to display them all in the RR if they can't be squeezed on the website.

Thanks,
Jenny Kinder

I've been particularly grateful for the arrival of spring this year, seeing life return to hedgerows and gardens. The winter was so gloomy, damp and windy. It was difficult not to be discouraged. As we're about to celebrate Easter, the gloom reminded me of the darkness that the Gospel writers report, came over the land when Jesus was crucified. This would have matched the feelings of loss and grief his friends and family were experiencing. But remarkably events surrounding Jesus' execution still led to the Roman Centurion on duty that day to declare, "Surely he was the Son of God."

Then on the third day overwhelming hope returned with Jesus' resurrection. Whatever our circumstances, however gloomy, we have the hope of eternal life through faith in Jesus. As he promised, "For God so love the world, that he gave his one and only Son, that whoever believes in him shall not perish but have eternal life".

So let's get out of our houses this spring and enjoy the sunshine, the warming air and the outbreak of life around us. We are particularly blessed to be living in the South Hams.
